**REQUEST FOR SUMMARY RELEASE OF
COMPILED INFORMATION
(NOT EXCLUDED FROM PUBLIC ACCESS)**

To the Executive Director of State Court Administration:

Requestor submits this request under Administrative Rule 9(F)(2)(b) for summary release of bulk data/compiled information not excluded from public access by Administrative Rule 9(G).

I. Identity of Requestor	Office of the Indiana Attorney General
Address	ICGS – 5th Floor 302 West Washington Street Indianapolis, IN 46204
Contact and Title	Adam Parsons Project Manager
Telephone:	317-232-5931
E-Mail:	adam.parsons@atg.in.gov

II. What substantial interest or bona fide research activity does Requestor have for scholarly, journalistic, political, governmental, research, evaluation or statistical purposes with regard to the requested data? (Explain in detail)

Our office was tasked with creating the Blight Registry, as established by Senate Enrolled Act 422 (2014), as amended by Senate Enrolled Act 415 (2015). This Registry is populated with persons deemed ineligible to participate in county tax sales, as described in IC 6-1.1-24-5.3.

III. List all known business entity names related to Requesting Party that will participate in the use and dissemination of the data provided:

Participating county Treasurers. They are responsible for operating their respective county tax sales and may use this data to screen potential participants in those sales.

IV. Identification of bulk data/compiled Information sought (specify and describe the records sought and the compiler or location):

Those persons who are:

Defendant in court action under

IC 36-7-9-18

IC 36-7-9-19

IC 36-7-9-20

IC 36-7-9-21

IC 36-7-9-22

Subject to court order under

IC 32-30-10.6

V. Identify the frequency with which bulk data and compiled information is being requested to be transferred to Requestor by each Court listed in Section III.

We would like updates every 14 days.

VI. Identification of Court(s) exercising jurisdiction over the records (list the courts):

Circuit and Superior Courts of Marion County.

VII. Purpose for Request: What is the purpose of the request and how is release of the requested data consistent with the purposes of Administrative Rule 9 (set forth reason)?

The purpose of this request is to populate the Blight Registry with the correct offending participants.

VIII. Describe the resources available to prepare the information.

We have engaged Indiana Interactive to aggregate the data and prepare a searchable website for front end users. The website is currently using other non-court data, and can be found at the URL below.

<https://secure.in.gov/apps/ag/blightregistry/#/registry>

IX. Describe how fulfilling the request is an appropriate use of public resources.

The legislature tasked our office with the creation of this Registry for the purpose of preventing properties to be sold to “bad players”. The aim is to reduce the number of blighted properties across the State.

X. Attach a copy of each permission from a Court to obtain bulk distribution of data or compiled information that has already been issued.

XI. Attach a copy of each Agreement Requestor has entered into with each County or Court listed in Section III to provide public access services or to obtain bulk distribution of data or compiled information.

XII. Attach a sample copy of all Requesting Party’s company policies/user agreement provided to the Requesting Party’s subscribers, customers, clients, or other party that govern the use of the data.

XIII. Requestor is (is not) willing to pay an amount determined to be the fair market value of the information. If not, why?

Since this will increase the public utility to Indiana citizens, we feel that this request should not be billable.

By signing this request, I represent that I am authorized to do so on behalf of Requestor and affirm under the penalties for perjury that the requested data will not be resold or used for commercial purposes.
